

TAPS, WASTES & ACCESSORIES

Possibly the final jewel in the crown when creating the perfect bathroom, taps are probably the first thing noticed when entering a bathroom and the demand for striking designs has not been ignored.

With our Technique range of taps we have a selection which will suit every bathroom from modern mixers to traditional pairs and as most basin monos come with our 'Eco Click' cartridge, your purchase won't cost the earth in more ways than one. A huge variety of square, round, waterfall and traditional styles make up the Technique collection and with the peace of mind 5 year guarantee, you need look no further for the jewel you've been waiting for.

All of our accessories are chrome on brass or stainless steel, ensuring a quality finish and a designer look to complement every bathroom.
