DECORATIVE WALL PANELLING

decorative wall panels

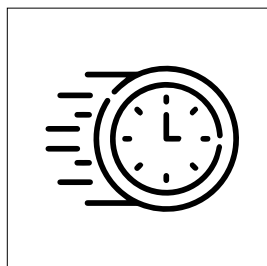

Made in the UK - Today's Alternative to Tiles

With easy installation, no grouting and a unique high-performance fitting system, the decorative wall panel is a beautiful, efficient and modern alternative to tiles.

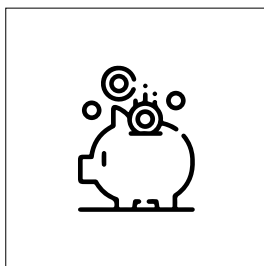

Available in a large selection of stylish designs across three core ranges, complimenting any interior scheme.

In our commitment to delivering quality, high performing products we use plywood in the core of our panels. Our standard panels feature an Indonesian 5-ply core and Nu-lock panels feature a Latvian 7-ply Birch plywood core.

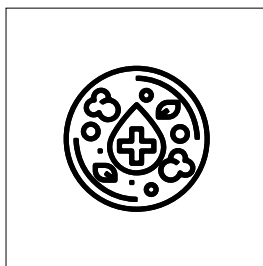

Certified as responsible purchasers of timber and members of Timber Development UK, our cores are only sourced from FSC and PEFC certified suppliers.
