Advantages of Halite furniture and bath panels over other materials:

- Halite is made with a combination of PVC and polyurea
- Halite is 100% water resistant
- Halite will not crack or warp in wet or steamy environments
- Halite is considerably more rigid than acrylic
- Halite is completely formaldehyde free and is recyclable which means it is more eco-friendly
- The lifespan of Halite bath panels is considerably more than that of MDF bath panels
- Halite is lighter and easier to cut than MDF
- Lifetime Guarantee

Our composite marble worktops are moisture and stain resistant, in addition to being resilient to cracks, chips, scratches and even extreme temperatures. These long-lasting qualities, combined with gorgeous colours and finishes, make these worktops the seamless choice for bathroom environments in both commercial and residential settings. Combining a worktop option with our Row, Aspen, Onyx and Ren units and your choice of basin and tap allows you to create a unique colour combination and style to suit your bathroom setting.

DECORATIVE WALL PANELLING

decorative wall panels

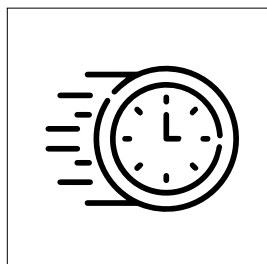

Made in the UK - Today's Alternative to Tiles

With easy installation, no grouting and a unique high-performance fitting system, the decorative wall panel is a beautiful, efficient and modern alternative to tiles.

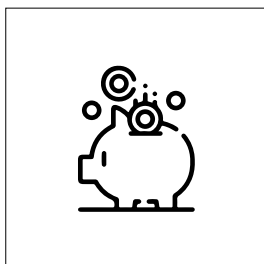

Available in a large selection of stylish designs across three core ranges, complimenting any interior scheme.

In our commitment to delivering quality, high performing products we use plywood in the core of our panels. Our standard panels feature an Indonesian 5-ply core and Nu-lock panels feature a Latvian 7-ply Birch plywood core.

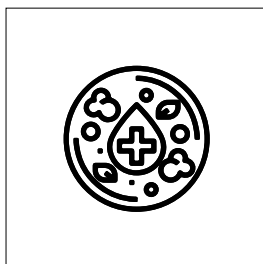

Certified as responsible purchasers of timber and members of Timber Development UK, our cores are only sourced from FSC and PEFC certified suppliers.

PVC WALL PANELLING

PVC WALL PANELLING

pvc wall panelling

A clever alternative to tiling and perfect solution for an economical wall covering.

Interior decorative wall and ceiling panelling system that is easy to fit and simple to maintain. Panels are suitable for all walls and ceilings in showers, bathrooms, kitchens, conservatories, extensions and utility rooms.

Decorative & Stylish: The high gloss panels are available in a wide variety of designs and colours from classic marble through to shimmering diamond and rustic oak – something for everyone.

Easy to Fit: Designed to be ultra easy to fit, the tongue and groove panels simply click together using a small bead of sanitary silicone, creating a smooth watertight finish.

Easy Fit System: No specialist training needed
No drying time or grouting – get the job done in one day.

WARRANTY INFORMATION

Hard Water and Warranty

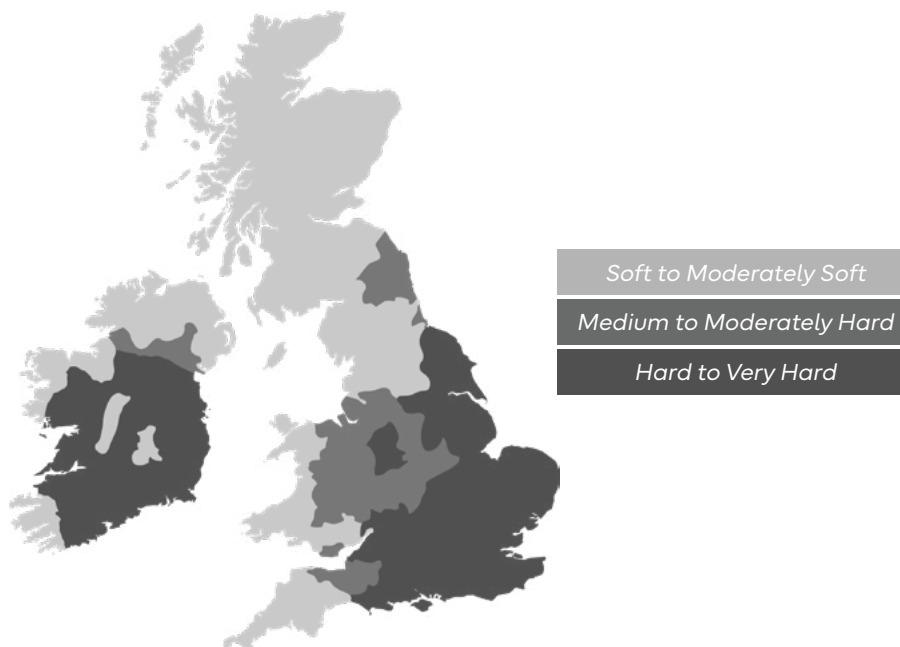

Hard water contains high levels of dissolved minerals, primarily calcium and magnesium.

Over time, limescale can build up, affecting the functionality and appearance of your taps and showers, which may impact your warranty coverage.

To help prevent damage to your products, please follow these steps:

- Clean your taps regularly with warm water and a soft cloth
- Avoid using harsh abrasive cleaners

The map below provides a guide to water hardness in various regions of the UK&I.

1 year warranty applicable to all serviceable parts. All warranties are subject to our terms and conditions.
