Our **Armatec** baths are made of the highest quality materials providing **strength** and **warmth**.

The baths are reinforced with layers of fibreglass, resin and a special hardening composite called **Armatec** which makes the baths much stronger and improves insulation. As a result, the water stays warm for longer.

The sheet we use is completely resistant to the UV rays which prevents discolouring when exposed to sunlight.

- 1 Acrylic Sheet
- 2 Fibreglass & Resin
- 3 18mm Baseboard
- 4 Armatec
